

Fairhaven Internships Around the World

Jim Hunt — Sophomore at Fairhaven Baptist College

1. Where did you complete your internship?

My internship was at Independent Baptist Church of Kabwe, Zambia. I was with the Rich family.

2. How long was your internship?

I was in Zambia for 20 months.

3. What were some of the main responsibilities you were given as part of your internship?

I had many ministry opportunities, which included preaching several times each month, holding a weekly Bible Club at an orphan school, preaching at a local hospice, and VBS. My biggest responsibility was to work with the youth. I was able to teach teen Sunday school, have a teen program during the week, lead the teen choir, and teach the Timothy Club boys.

4. Tell us about the people you ministered to.

There are seventy-two different languages spoken throughout Zambia, yet the national language is English. This made it easier to go

out witnessing and visiting because a large percentage of the people I met could speak English. The majority of people in Zambia are very open towards the gospel. They tend to be a simple people. The vast majority of them are very poor and live day to day.

5. How has this opportunity helped to prepare you for your future ministry?

This internship helped me in many ways. I was given ministry responsibilities that I felt incapable of doing. This forced me to trust God and step up to fulfill those responsibilities. I was able to work one on one with the teenagers. I also watched Bro. Rich counsel and work with families. What a blessing to be able to be a part of a growing ministry. This internship has also helped me by broadening my perspective of the ministry. I am very thankful for my internship in Kabwe.
