

Fairhaven Internships Around the World

Levi Armacost, Sophomore

1. *Where have you been ministering?*

Neighborhood Bible Time

2. *How long have you been serving in this ministry?*

Since May 19, 2017

3. *Tell us about the people you are ministering to.*

This summer, I have had the opportunity to hold rallies at churches for 1st-6th graders. Neighborhood Bible Time is “fun with a purpose.” It has been exciting to see the attendance grow daily because the “boosters” are so excited about the program they want to bring their friends.

4. *How has this opportunity helped to prepare you for your future ministry?*

Being in a different local church each week has allowed me to see the “inner workings” of churches and to see the people’s heart for the ministry. Also, speaking in front of children for 3+ hours a day has forced me to get out of my comfort zone, even to look foolish sometimes. This experience has been very valuable to future ministry, especially children’s ministry.

5. *Please share a blessing you have witnessed or experienced through this opportunity.*

Natalie (1st grade) had never been in a church. She came on the fourth day of a rally and got saved! She came to me afterwards and asked me to pray for her mom, who “isn’t going to heaven.” She was so excited to go home and tell her mom about Jesus! That was a big blessing, and instances similar to this throughout the summer have given me a great burden for children’s ministry.
